## Education

University of Transport Ho Chi Minh City

Aug. 2024 - Present

Bachelor of Data Science | Expected Graduation: 2028

Current GPA: 3.64/4.0

Relevant Coursework: Machine Learning, Management System, Data Structures & Algorithms, Software Engineering.

## Skills

Languages: Vietnamese (Native), English (IELTS 5.5), Chinese (Conversational).

Programming Languages: C++ (Advanced), JavaScript, Python.

Tools: Git/GitHub, MySQL, SQLite.

Design & Media: Photography, Canva (Advanced), Adobe Photoshop, Adobe Lightroom, Capcut.

Soft Skills: Analytical - Critical thinking, Problem-Solving mindset, Active listening, "Can-do" attitude toward learning new knowledge and programming languages, Team Coordination, Design Thinking.

## Projects

Restaurant Management System | C++, MySQL, Docker, Git

Dec. 2025 - Feb. 2026

Role: Backend Developer

- Developed a C++ based management system utilizing strict **Object-oriented programming** principles (encapsulation, modularity via .h and .cpp file separation) and custom modules (Customer, Manager, Staff,...) for the restaurant operations.
- Managed data persistence and secure **CRUD** operations using MySQL with **Prepared Statements** for real-time sales reporting.
- Used Git for version control to maintain code integrity, alongside Docker to containerize the development environment, enabling consistent cross-platform deployment (Linux).

## Achievements

Excellent Student of Five Merits (Faculty Level) | UTH, 2024-2025

Academic Merit Scholarship | UTH, Semester 2, 2024-2025

C++ Programming Certificate (Basic) | F8 Education, 2026

IELTS Academic | Overall 5.5

## Activities

Vice Head of Media Department | UTH Badminton School Club

Nov. 2024 - Present

- Designed the official club logo and uniforms/jerseys, establishing a cohesive and professional identity for the Club.
- Created diverse media publications (posters, banners, videos, sponsors and social media posts) for weekly activities and major events, specifically the UTH Badminton Tournament.

Apr. 2025 - Present

Core Member | Vietnam Social Volunteer Community

- Supported the organization of official government events with high responsibility.
- Participated in various community service projects and regularly donated blood to help patients in hospitals.
